

Avenged Sevenfold, Eternal Rest

Black enchanting eyes,
cut through my heart
with no regret or sign of life
They tear apart my pride
and cold runs through my veins
I feel their stare from miles, haunting every step
and they won't stop hunting me down
I know the time will come,
when all around me's burned
and you'll still see me there
Asking where you went to
and what person brought you here
And why you left the burning children
cold out in the night
and calling for you all alone...

Dark in their hearts,
I can feel it burn inside of me
Tormented young with no souls, haunting me
Pain in their lives all they know is misery
Take these chains away that are holding me down

They'll find you alone,
and your desperate and villainous ways
turning their hearts into stone
they seek more then vengeance
Look in their eyes your pain is their satisfaction
Look in their eyes and see the darkness take hold
Burn for the rest of time

Hear the haunting words
lost children with no heart are crying
and you're the lost mother they're calling
I hear them crying at night
outside when the planets are falling
They want to feel and know you hear them

Dark in their hearts,
I can feel it burn inside of me
Tormented young with no souls, haunting me
Pain in their lives all they know is misery
Take these chains away that are holding me down

Eternal Rest...in time
Eternal Rest...in time
