

Avenged Sevenfold, I won't see you tonight

Cry alone, I've gone away
No more nights, no more pain
I've gone alone, took all my strength
But I've made the change,
I won't see you tonight
Sorrow, sank deep inside my blood
all the ones around me,
I cared for and loved
Building up, inside of me
A place so dark, so cold, I had to set me free
Don't mourn for me, you're not the one to place the blame
As bottles called my name, I won't see you tonight
Sorrow, sank deep inside my blood
all the ones around me,
I cared for and most of all I loved
but I can't see myself that way
please don't forget me or cry while I'm away
Cry alone, I've gone away
No more nights, no more pain
I've gone alone, took all my strength
But I've made the change,
I won't see you tonight
So far away, I'm gone. Please don't follow me tonight.
And while I'm gone, everything will be alright.
No more breath inside
Essence left my heart tonight
