

# Avenged Sevenfold, I won't see you tonight

Cry alone, I've gone away  
No more nights, no more pain  
I've gone alone, took all my strength  
But I've made the change,  
I won't see you tonight  
Sorrow, sank deep inside my blood  
all the ones around me,  
I cared for and loved  
Building up, inside of me  
A place so dark, so cold, I had to set me free  
Don't mourn for me, you're not the one to place the blame  
As bottles called my name, I won't see you tonight  
Sorrow, sank deep inside my blood  
all the ones around me,  
I cared for and most of all I loved  
but I can't see myself that way  
please don't forget me or cry while I'm away  
Cry alone, I've gone away  
No more nights, no more pain  
I've gone alone, took all my strength  
But I've made the change,  
I won't see you tonight  
So far away, I'm gone. Please don't follow me tonight.  
And while I'm gone, everything will be alright.  
No more breath inside  
Essence left my heart tonight
