

Avenged Sevenfold, Nightmare

Nightmare

Now your nightmare comes to life
Dragged ya down below,
Down to the Devil's show
To be his guest forever
Peace o mind is less than never
Hate to twist your mind,
But God ain't on your side
An old acquaintance severed
Burn the world your last endeavor
Flesh is burning you can smell it in the air
'Cause men like you have such an easy soul to steal
So stand in line while they ink numbers in your head
You're now a slave until the end of time here
Nothing stops the madness turning,
Haunting, yearning, pull the trigger!
You should have known, the price of evil
And it hurts to know that you belong here, yeah
It's your fucking nightmare
As your nightmare comes to life
Can't wake up and sweat
'Cause it ain't over yet
Still dancin' with your demons
Victim of your own creation
Beyond the will to fight
Where all that's wrong is right
Where hate don't need a reason
Loathing self-assassination
You've been lied to just to rape you of your sight
And now they have the nerve to tell you how to feel
So sedated as they medicate your brain
And while you slowly, go insane they tell ya
Given with the best intentions,
Help you with your complications!
You should have known, the price of evil
And it hurts to know that you belong here, yeah
No one to call, everybody to fear
This tragic fate is looking so clear, yeah
It's your fucking nightmare
Fight - not to fail, not to fall or you'll end up like the others (fight, fail, fall)
Die - die again, drenched in sin, with no respect for another (die, die, sin)
Down - feel the fire, feel the hate, your pain is what we desire (down, fire, hate)
Lost - hit the wall, watch you crawl, such a replaceable liar (lost, wall, crawl)
And I know you hear their voices - calling from above
And I know they may seem real - these signals of love
But our life's made up of choices - some without appeal
They took for granted your soul and it's ours now to steal
As your nightmare comes to life
You should have known, the price of evil
And it hurts to know that you belong here, yeah
No one to call, everybody to fear
Your tragic fate is looking so clear, yeah
It's your fucking nightmare
