

# Avengers, Second To None

Gettin dirty on my hands and knees  
I live like an animal and now I got fleas.  
When I do what I do it's a sin  
But I like my parties soaked in gin.  
What's the use of sayin what you mean?  
Just watch yourself and keep your body clean.  
Mom says I gotta dirty face  
Dad says I'm looking out of place  
Dog says I got shit on my shoes.  
What am I supposed to do?  
Well, that's one. I'm second to none.  
And that's two. I don't know what to do.  
And that's three. You're tellin me  
I'm still a baby.  
You say act like I live in a zoo.  
I know I don't wanna live like you.  
When I go out you won't let me back in.  
Climb in the window, I just can't win.  
What's the use in sayin what you mean?  
Just wash yourself and keep your body clean.  
Mom says I gotta dirty face  
Dad says I'm looking out of place  
Dog says I got shit on my shoes.  
What am I supposed to do?  
Well, that's one...
