

Aventura, Tell Me Why

This song is for you wherever you are... Aventura
I dont know whats going on with my baby
que ya no me quiere ver she doesnt want to talk to me
she left an early morning without reasons sin dejarme
una cartita or a clue where she might be at
i dont think that i deserve what you have done
i dont sleep and i dont eat eperando for your love
cuando volveras, when will you come back
ay dime mami adonde tu estaras,
When will you come back, cuando volveras
dime morena ay adonde andaras

Tell me why tell me why me haces esto mujer
if i always loved you ven y vuelve otravez
tell me why tell me why me haces esto mujer
if i always loved you ven y vuelve otravez

Let me find out

Oye que feeling Mami

my heart is in pain and i need your love
so please call a doctor y que vuelve mi morena

i miss her day and night nothing has change
and the only thing i have is on my wall her
picture frame

cuando volveras when will you come back
ay dime mami adonde tu andaras
when will you come back cuando volveras
ay dime baby if you're ever coming back

tell me why tell me why me haces esto mujer
if i always loved you ven y vuelve otravez
tell me why tell me why me you are doing this to me
if i always loved you ven y vuelve otravez

i know you gonna come back boo
you know i stay missing you

(cuando volveras)4x

you know i loved you
with all my love
and now i miss you
with all my heart
cause you my baby
you my love
