

# Average White Band, Keepin It To Myself

Now and again it occurs to me  
I'm giving away much more than I ought to be  
Oh, yes I am  
And today I got a letter  
Telling me things that I better not believe  
But I don't know if I can  
But you're the last in a long line of mistakes I've made  
I'm tired of giving my heart and soul to a masquerade  
So I'm gonna be

Keepin' it to myself  
Let it build up inside of me  
Keepin' it to myself  
Baby, I tried

Well it makes no difference  
I always thought that it was planned  
When you get everything a man has to give  
You now you got to return it  
But every time I build my dreams  
Find that love is not all what it seems to be  
And I keep getting burned  
But from now on I'm gonna quit  
Before I commit myself  
To any woman I meet  
And I'll get by without love for a while  
And get into something else

Keepin' it to myself  
Let it build on up inside  
Keepin' it to myself  
Baby, I tried
