

Averman, She's Feelin' My Gangsta

This isn't the first time that I've lost what was almost mine.
A day, a dime breaking a sweat, I just want to feel alive again.
I've realized my weaknesses. I need to feel needed.
I need to know that I have a reason to come home.
I'm trying to find what it is
that I don't got that's keeping you just out of my reach.
I realized my weakness. I need to feel needed.
I need to know that I have a reason to come home.
Take 2007 out of my head.
