

Avery, Wasting Away

I wasted my tears
I wasted my Time
Wishin u were here
And u were mine
I shoulda known
It all came too soon
U came w/ the sun
And left w/ the moon
I wish i had noticed
Ur smiles were distant
Then i would have stopped myself
Before i kept wishin
I wasted my tears
I wasted my time

Wishin u were here
And u were mine
I woke up one day
With u at dawn
I just closed my eyes
And you were gone
I trusted too much
And gave u my heart
But i didn't know
U would break it apart
I wasted my tears
I wasted my time
Wishin u were here
And u were mine
