

Avion, Seven Days Without You

SEVEN DAYS WITHOUT YOU

Sitting here counting the hours
Waiting for the sun to kiss the sea
Paralyzed by the fragrance of the flowers
They remind me of you and me

This one love in a lifetime
Our two hearts of a kind
These three reasons you'll be mine
For there's five or six ways through
Seven days without you(repeat)

Making plans just to stop the aching
Chasing thoughts from a million miles away
Hypnotized as another dawn is breaking
I rehearse the words I want to say

This one love in a lifetime
Our two hearts of a kind
These three reasons you'll be mine
For when five and six are through
It's seven days without you
Yeah, Seven days with out you(repeat)

And I will find a way until you're home
To let the giant sleep this fire we know is far away cause

There's one love in a lifetime
Until two hearts of a kind
There's three reason you'll me mine
For when five and six are through
It's seven days without you(repeat 2x)
