

# Avril Lavigne, All my life wedding - remix

I will never find another lover,  
sweeter than you  
(sweeter than you)  
I will never find another lover,  
more precious than you,  
(more precious than you)  
Girl you are close to me your like my mother,  
close to me your like my father,  
close to me your like my sister,  
close to me your like brother  
You are the only one, my everything,  
and for you it's all the same  
All my life I've prayed for someone like you  
And I thank god that i finally found you  
All my life I've prayed for someone like you  
And I hope that you feel the same way too  
Yes, I pray that you do love me too  
Baby,  
I promise to never fall in love with a stranger,  
You're all I'm thinking of,  
I pray the lord above  
for sending me to love  
I cherish every thug  
I really love you  
All my life I've prayed for someone like you  
And I thank god that i finally found you  
All my life I've prayed for someone like you  
And I hope that you feel the same way too  
Yes, I pray that you do love me too  
You're all that I've ever known  
When you smile your face all I see is a glow  
You've turned my life around  
You picked me up when I was down.  
You're all that I've ever known  
When you smile your face all I see is a glow  
You picked me up when I was down.  
You're all that I've ever known  
When you smile your face all I see is a glow  
You picked me up when I was down.  
I hope that you feel the same way too  
Yes, I pray that you do love me too
