

# Avril Lavigne, Break Of A Heartache

Oh, come on, motherfucker, let's go!  
Alright, alright, hey!

Oh, you did it to me once, you'll do it to me twice  
I'm not in the mood to go and roll the dice  
Dealt a shitty hand, you'll never understand  
I cancelled all the plans, don't you want another chance today?

Oh, no-no-no-not today  
No (Hey!)

I don't wanna cry like that  
I don't wanna feel that bad  
I don't wanna take another rip, 'nother strain  
'Nother bruise, 'nother break of a heartache  
I don't wanna take that chance  
'Cause you know it'll never last  
Now I don't wanna feel another rip, 'nother strain  
'Nother bruise, 'nother break of a heartache

Woah-oh-oh-ooh-oh, oh-oh-ooh-oh, oh-oh  
And don't go tellin' motherfucker to ruin my life  
Woah-oh-oh-ooh-oh, oh-oh-ooh-oh, oh-oh  
And now this time, motherfuckers, so I guess it's goodbye

Try not to see you when you look my way 'cause you look at my way  
You say you're sorry, but I don't believe a word you say  
I'd rather leave before you leave my life a wreck, so I'm gonna walk away  
I'll walk away, at least I've got the balls to say

I don't wanna cry like that (Like that)  
I don't wanna feel that bad (That bad)  
I don't wanna take another rip, 'nother strain  
'Nother bruise, 'nother break of a heartache  
I don't wanna take that chance (That chance)  
'Cause I know it'll never last (-ver last)  
Now I don't wanna feel another rip, 'nother strain  
'Nother bruise, 'nother break of a heartache

Woah-oh-oh-ooh-oh (Come on now), oh-oh-ooh-oh (Sing with me now), oh-oh (Oh)  
And don't go tellin' motherfucker to ruin my life  
Woah-oh-oh-ooh-oh (Woah), oh-oh-ooh-oh (Woah), oh-oh (Woah)  
And now this time, motherfuckers, so I guess it's goodbye (Huh!)
