

# Avril Lavigne, Cannonball

Ike a ticking time bomb, I'm about to explode  
And motherfuckers, let's go

You did me dirty, now I'm gone, I'm living life without you  
I just wrote a song, it goes, "I don't give a fuck about ya"  
And I'll be happy if we never speak again  
I just deleted every memory from inside of my head

Are you ready? Are you ready? Are you ready?  
Let's go  
Are you ready? Are you ready? Are you ready?  
Let's go

Ticking time bomb, I come on strong  
I'll come in hot like a cannonball, like a cannonball  
Take your best shot, give me all that you've got  
I'll come in hot like a cannonball, like a cannonball  
Like a cannonball

You did me wrong and so now this is what you get  
I hope that when you see my face it starts to make you feel a little sick  
I'm taking back, yeah, every single word I said  
I bet you're cryin' all alone every night inside of your bed

Are you ready? Are you ready? Are you ready?  
Let's go  
Are you ready? Are you ready? Are you ready?  
Let's go

Ticking time bomb, I come on strong  
I'll come in hot like a cannonball, like a cannonball  
Take your best shot, give me all that you've got  
I'll come in hot like a cannonball, like a cannonball

Woah, oh, oh, oh, oh, oh  
Woah, oh, oh, oh, oh, oh

Ticking time bomb, I come on strong  
I'll come in hot like a cannonball, like a cannonball  
Take your best shot, give me all that you've got  
I'll come in hot like a cannonball, like a cannonball

Woah, oh, oh, oh, oh, oh  
I'm like a cannonball  
Woah, oh, oh, oh, oh, oh  
I'm like a cannonball
