

Avril Lavigne, Dumb Blonde (feat. Nicki Minaj)

I ain't no dumb blonde
I ain't no stupid Barbie doll
I got my game on
watch me /3x
prove you wrong

Well there you go again
telling me where I belong
You put me on the bench don't think that I can play strong
So quick to condescend well you think I'm empty, I'm not
You won't be so confident when I'm crushing you from the top

I am a babe
I am a boss and I am making this money
I can flip like a switch
and I cut like a blade
try to get it
I can sting like a bee
but I'm sweeter than honey
and I am quick as a whip so get outta my way
come and get it now

I ain't no dumb blonde
I ain't no stupid Barbie doll
I got my game on
watch me /3x
prove you wrong

I ain't no dumb blonde
I am a freaking cherry bomb
I will be your icon
watch me /3x
prove you wrong

stand up everybody
get up say it loud
we're bombshells raising hell now
watch me /3x
prove you wrong

stand up everybody
get up say it loud
we're bombshells raising hell now
watch me /3x
prove you wrong

well there you go again you're talking on me
I may look innocent
don't underestimate me
I am gold and platinum
don't you know I am out of your league
step back
your time is up
sit down
I am taking the lead

I am a babe
I am a boss and I am making this money
I can flip like a switch
and I cut like a blade
try to get it
I can sting like a bee
but I'm sweeter than honey

and I am quick as a whip so get outta my way
come and get it now

I ain't no dumb blonde
I ain't no stupid Barbie doll
I got my game on
watch me /3x
prove you wrong

I ain't no dumb blonde
I am a freaking cherry bomb
I will be your icon
watch me /3x
prove you wrong

stand up everybody
get up say it loud
we're bombshells raising hell now
watch me /3x
prove you wrong

stand up everybody
get up say it loud
we're bombshells raising hell now
watch me /3x
prove you wrong
