

Avril Lavigne, Hanging Out

Everytime you go away
it actually kinda makes my day
everytime you leave you slam the door
you pick your words so carefully
you hate to think your hurting me
you leave me laughing on the floor cuz
I don't give it up
I don't give a damn
what you say about that
you know I don't give it up
I don't give a damn
what you say about that
you know i'm not gonna cry
about some stupid guy
a guy who thinks hes all that
I thought we were just hanging out
so why'd you kiss me on the mouth
you thought the way you'd taste would get me high
you went to all your friends to brag
guys are always such a drag
don't you know the reason that I kissed ya was to say goodbye cuz
(repeat chorus)
