

# Avril Lavigne, I'm A Mess (feat. Yungblud)

Staring at the pavement alone  
Wishing that I was on my way home to you  
All the shops in London are closed  
And I don't know where to go from here  
No, I don't know where to go from here

But I know I'm a mess, I'm a mess  
When we're not together  
Such a wreck, such a wreck  
I hope it's not forever  
Will I see you again?  
I wish it was me and you 'til the end  
But I know I'm a mess, I'm a mess  
I know I'm a mess, I'm a mess

It hasn't been the same since that night  
I wish I said "I love you" just one more time  
I tried to figure out how to make it right  
But I don't know where to go from here  
No, I don't know where to go from here

But I know I'm a mess, I'm a mess  
When we're not together  
Such a wreck, such a wreck  
I hope it's not forever  
Will I see you again?  
I wish it was me and you 'til the end  
But I know I'm a mess, I'm a mess  
I know I'm a mess, I'm a mess

Oh, 'cause I know that I have my issues  
The less we talk, the more I miss you  
I die just a little, die just a little  
I'm slipping closer to the edge, I hear your voice, it's in my head  
But you're gone again, gone again

I'm a mess, I'm a mess  
When we're not together  
Such a wreck, such a wreck  
I hope it's not forever  
Will I see you again?  
I wish it was me and you 'til the end  
'Cause I know I'm a mess, I'm a mess  
I know I'm a mess, I'm a mess
