Avril Lavigne, Let Go

Hey, yea, ohoh Hey, yea, ohoh Hey, yea, ohoh

I've only got 3 dollars left in my hands, I walk down the sidewalk as i pass a dirty man Walk up the staircase that leads to my hotel I'm living in at a fancy hotel, yeayea

Then i'll go up to my room Fixate on what's the deal I'm alone again Then i will crawl into the bed, And call you up to tell you off

'cause i'm on my own, would you leave me alone Before i lose my mind Because you lied and so did i Oh oh, would you cry-y-y If i let you go tonight if i let you go tonight Yea, yea, let go

Hey, yea, ohoh

I'll probably wake up a little sad
But then i'll get up and let go of it all instead
Because really it's not worth it
To get in a mess over him
To bother get stressed over him, no
So i'll just go on with my life
And fixate on everything else but you
Yea i'll just go on with my life
I have no reason to please you anymore

'cause i'm on my own, would you leave me alone Before i lose my mind Because you lied and so did i Oh oh, would you cry-y-y If i let you go tonight if i let you go

So find you way out of my sight I know it's hard, it's tough to laugh It's all messed up, don't play this game

'cause i'm on my own, would you leave me alone Before i lose my mind Because you lied and so did i Oh oh, would you cry-y-y If i let you go tonight if i let you go (x2)

Yea, yea Getting stressed over you Getting messed over you
