

Avril Lavigne, My and my Girls

Who wants to be ordinary in a crazy mixed up world
i was always live and crazy but i sill had my girls
they liked me no matter what i always said and done sometimes
eventhough i was crazy they always had sometime
to be with me and to hold me
to remanice on all the things we did
to tell me that i was crazy
i must be strong and i must hold oon
hold ooon hold ooon
hold on
hold on
hold on
