

Avril Lavigne, O Holy Night

Avril:

O holy night

The stars are brightly shining

It is the night of my dear Savior's birth

Long lay the world in sin and error pining

Til He appeared and the soul felt its worth

Chantal:

A thrill of hope the weary world rejoices

For yonder breaks a new and glorious morn

Avril:

Fall on your knees

Oh hear the angel voices

Oh night divine

Oh night when Christ was born

Oh night divine

Oh night Oh night divine

Chantal:

Truly He taught us to love one another

His law is love and His Gospel is peace

Chains shall He break for the slave is our brother

And in His name all oppression shall cease

Avril:

Sweet hymns of joy in grateful chorus raise we

Let all within us praise His holy name

Chantal (Avril in background high-pitched voice) :

Christ is the King

Then ever ever praise we

His power and glory ever more proclaim

His power and glory ever more proclaim

Oh Oh Oh Oh

His power and glory ever more proclaim

His power and glory ever more proclaim
