

Avril Lavigne, So Damn Hard

I woke up this morning
Knowing it had to end
That useless calling
Don't you know it drives me round the bend

If honesty speaks truth
I've said to many lies
I'm tied up just let me loose
I just can't decide

'cause i wanted someone to come along
And make me feel too damn good
But baby you're average and I've had to much of that kind
And I don't think I should
And I just wish

(CHORUS)
You would
Not be
So good
To me
Then I
Wouldn't
Guess I
Shouldn't
And then
Breaking us apart
Wouldn't be so hard

Stop making
Doing
This
So damn
Hard . . .
