

# Avril Lavigne, Strings

I would do anything and that's  
What scares me so bad  
Don't want to live my life alone  
Don't want to go back to what I had

Don't want to spend my life without  
All those special things  
Don't want to walk around being tied to  
Anyone else's

Strings, strings, strings, strings

C'mon Repeat it dude!!! I would do anything and that's  
What scares me so bad  
Don't want to live my life alone  
Don't want to go back to what I had

Don't want to spend my life without  
All those special things  
Don't want to walk around being tied to  
Anyone else's

Strings, strings, strings, strings
