

# Avril Lavigne, Trust Me

Be Around Trust my Being.  
Feel the pressure.  
I am alive  
Move around  
and take it real so trust me

Chorus: Trust Me, Life Gets Hard Be Inside Live Your Life Feel The World Do your dance trust Me

I am a human, just like you be with me and pull the pole. Live in our world beneath our cares

Chorus: Trust Me, Life Gets Hard Be Inside Live Your Life Feel The World Do your dance trust Me  
feel it now.

live it now  
feel it now  
live it now  
forever, forever  
Oh so

Chorus: Trust Me, Life Gets Hard Be Inside Live Your Life Feel The World Do your dance trust Me

Chorus: Trust Me, Life Gets Hard Be Inside Live Your Life Feel The World Do your dance trust Me

I am alive  
and take it real so trust me
