

Avril Lavigne, We Are Warriors

We'll pick our battles
'cause we know we're gonna win the war
We're not rattled 'cause we've shattered all of this before
steadier than steel 'cause we're ready with our shields and swords
back on the saddle 'cause we gathered all our strength for more

and we won't bow, we won't break
no we're not afraid to do whatever it takes
we won't bow, we won't break

'Cause we are warriors, we'll fight for our lives
Like soldiers all through the night
And we won't give up, we will survive,
we are warriors

And we're stronger, that's why we're alive
We will conquer time after time
We'll never falter, we will survive,
we are warriors

LIKE Vikings we'll be fighting through the day and night
we'll be marching through the darkness till the morning light
even when it's harder like the armor you will see us shine
no we won't stop and we won't drop until the victory's ours

no, we won't bow, we won't break
no we're not afraid to do whatever it takes
we won't bow, we won't break

'Cause we are warriors, we'll fight for our lives
Like soldiers all through the night
And we won't give up, we will survive,
we are warriors

And we're stronger, that's why we're alive
We will conquer time after time
We'll never falter, we will survive,
we are warriors

you can't shoot us down
you can't stop us now
we've got a whole damn army
you can't break us down
you can't take us out
this will be behind us

'Cause we are warriors, we'll fight for our lives
Like soldiers all through the night
And we won't give up, we will survive,
we are warriors

And we're stronger, that's why we're alive
We will conquer time after time
We'll never falter, we will survive,
we are warriors
