Avril Lavigne, We Are Warriors

We'll pick our battles 'cause we know we're gonna win the war We're not rattled 'cause we've shattered all ot this before steadier than steal 'cause we're ready whit out shields and swords back on the saddle 'cause we gathered all our strength for more

and we won't bow, we won't break no we're not afraid to do wheather it takes we won't bow, we won't break

'Cause we are warriors, we'll fight for our lives Like soldiers all through the night And we won't give up, we will survive, we are warriors

And we're stronger, that's why we're alive We will conquer time after time We'll never falter, we will survive, we are warriors

LIKE Vikings we'll be fighting through the day and night we'll be marching through the darkness till the morning light even when it's harder like the armor you will see us shine no we won't stop and we won't drop until the victory's ours

no, we won't bow, we won't break no we're not afraid to do wheather it takes we won't bow, we won't break

'Cause we are warriors, we'll fight for our lives Like soldiers all through the night And we won't give up, we will survive, we are warriors

And we're stronger, that's why we're alive We will conquer time after time We'll never falter, we will survive, we are warriors

you can't shoot us down you can't stop us now we've got a whole damn army you can't break us down you can't take us out this will be behind us

'Cause we are warriors, we'll fight for our lives Like soldiers all through the night And we won't give up, we will survive, we are warriors

And we're stronger, that's why we're alive We will conquer time after time We'll never falter, we will survive, we are warriors
