

# Avril Lavigne, You were mine

I can't find a reason to let go,  
even though you've found a new love,  
and she's what your dreams are made of

I can find a reason to hang on,  
what went wrong can be forgiven,  
without you, it ain't worth living alone

Sometimes i wake up cryin` at night,  
and sometimes i scream out your name  
what right does she have to take you away,  
when for so long, you were mine.

I took out all the pictures of our wedding day,  
it was a time of love and laughter, happy ever after.  
and even though those pictures have begun to fade,  
please tell me she's not real,  
and that you're really comin` home to stay.

Sometimes i wake up, cryin` at night  
and sometimes i scream out your name  
what right does she have to take your heart away,  
when for so long, you were mine.

i can give you two good reasons  
to show you love's not blind  
he's 2 and she's 4, and you know they adore you,  
so how can i tell them you've changed your mind?

Sometimes i wake up, cryin` at night  
and sometimes i scream out your name  
what right does she have to take your heart away,  
when for so long, you were mine.

I remember when you were mine.
