

Avulsed, Stabwound Orgasm

(music: furni 3/99)
(lyrics: dave rotten)

smooth and attractive
no need aphrodisiac
totally bisexual
she already tasted it all

(chorus:)
self injury
with a knife
taste of blood
stabwound orgasm

nymphomaniac
vaginal fury
don't care if he's a man
or a buxsome chick

(chorus:)
self injury
with a knife
taste of blood
stabwound orgasm

got saturated
got sick of sex
a juicy cunt
or a big dick
were not enough
to make her pleased
she wanted pain
beyond belief

cracking her legs
skinning her chest
wounding her arms
'til making them bleed

nymphomaniac
vaginal fury
don't care if he's a man
or a buxsome chick

(chorus:)
self injury
with a knife
taste of blood
stabwound orgasm

cracking her leg
skinning her chest
wounding her arms
'til making them bleed

got saturated
got sick of sex
a juicy cunt
or a big dick
were not enough
to make her pleased
she wanted pain
beyond belief
