

Awaken, Rescue

(M.Mann / M.Rogers)

I shall be rescued someday
So many empty days
And nobody told me
Need to be rescued today
It's been a thinking day
And I haven't done badly
Nobody told me
How slow some days can go
Think I've been dreaming
Of some people I don't even know
Someday I'm sure to see the sun
And when my time has come
I'll think of you always
I've seen your face through my tears
I'm gonna dry for you
Nobody told me...
