

Awesome Car Funmaker, Trolley (Pancakes)

Hot cigarettes, Ice cold booze.
saving cash for more to use, positioned to score
the porno store, a five-finger flash recipe made hoar

all right, hey hey, a catchy slow gun

from the land of make believe
what did you expect
from the land of make believe
a trolley is all you get

Egaltarian littered streets, tock egomaniac fantasies
the second coming is up your ass
as the s.u.v's guzzle your gas

a trolley, a trolley.
