

# Axxis, Kingdom of the Night II

All right, all right  
All right, all right  
We're back into the kingdom of the night

The golden rings, the dirty jeans  
Nice pictures in my mind  
But I have looked behind the scenes  
There's nothing of this kind  
Still money rules - so many fools  
Controlling with their might  
But now we're free and independent  
Let us rock tonight

Bridge:  
So get up - go down  
Move your legs and stamp around  
Get up - get down  
Get the kingdoms' crown

Chorus:  
Tonight, tonight  
Tonight, tonight  
We're back into the kingdom of the night  
Tonight, tonight  
Tonight, tonight  
We're back into the kingdom of the night

Oh, set us free - that's what we call  
Back into rock 'n' roll  
No business crap - back to the roots  
That's our common goal  
We still go on - go our way  
We loved to be on the road  
Be strong enough to be yourself  
That's our secret code
