

# Axxis, Sarajevo (Radio Edition)

Families worlds apart  
War Torn - broken hearts  
Thousand sad goodbyes  
As this city dies  
Symbol of a war

Sarajevo  
You're their hope their home  
Hear the people pray  
Smoke will fade away

Ruins of a town  
Tears of pain fall down  
War has called your name  
Who will take the blame  
Give them hope and light

Sarajevo  
You're their hope their home  
Out of dust and smoke  
Give them peace and hope

Sarajevo  
You're their hope their home  
Hear the people pray  
Smoke will fade away

... Will fade away ...  
Sarajevo  
You're their hope their home  
Hear the people pray  
Smoke will fade away
