

# Ayo, Lonely

The truth will reach you some day  
All that I can do is wait  
I hope that we can talk  
Talk one day  
May your words bring back my faith  
For there were too many lies  
And never much of the truth  
Some bad ingredients have spoiled the soup

Right now I'm lonely  
You're lonely  
We're lonely  
'Cause I need you and you need me  
I'm lonely  
You're lonely  
We're lonely  
'Cause I need you and you need me

What are we gonna do now?  
I don't know if we will find a way out  
For there were too many lies  
And never much of the truth  
Some bad ingredients have spoiled the soup

Right now I'm lonely  
You're lonely  
We're lonely  
'Cause I need you and you need me  
I'm lonely  
You're lonely  
We're lonely  
'Cause I need you and you need me

Tables will turn  
Turn one day  
Clouds will disappear for we shall see the way  
And the trust that I had in you will come back and find me  
Please come back and find me  
You'll know where I'll be

Right now I'm lonely  
You're lonely  
We're lonely  
'Cause I need you and you need me  
I'm lonely  
You're lonely  
We're lonely  
'Cause I need you and you need me, I need you and you need me

I need you and you need me...
