

Ayo, Love Song

Sing me a love song

I don't wanna hear no sad story
And I don't wanna hear you say you worry
I don't wanna hear you say
That you had a bad day, no way, no way
It's okay
And I don't wanna hear you say you're sorry, oh
Don't wanna hear you say you no be good
'Cause you're good, I'm good, we're good, it's all good
It's all good

Tell me, why can we just focus on
The good things that we share?
Like you telling me jokes while I'm
Trying to braid your hair
And why can't you just hold me in
Your arms and stay right there?
Stay right there
Right there

Come on and sing me a love
Sing me a love
Come and sing me a love song
Sing me a love song
Sing me a love song
Come on and sing me a love
Sing me a love
Come and sing me a love song
Sing me a love song
Sing me a love song

Sing me a love song
I want my own love song
Come on, give me a love song
A love song

I don't want to hear no excuses
When you go cover lies I go cover bruises
I want to draw a line but you promised we'll be fine
I am yours, you are mine, and there'll be no next time
Until the next time

Tell me, why can we just focus on
The good things that we share?
Like you telling me jokes while I'm
Trying to braid your hair
And why can't you just hold me in
Your arms and stay right there?
Stay right there
Right there

Come on and sing me a love
Sing me a love
Come and sing me a love song
Sing me a love song
Sing me a love song
Come on and sing me a love
Sing me a love
Come and sing me a love song
Sing me a love song
Sing me a love song

Sing me a love song

I want my own love song
Come on, give me a love song
A love song

Come on and sing me a love
Sing me a love
Come and sing me a
Sing me a
Sing me a love song
Come on and sing me a love
