

Ayo, Only You

Chorus:

Only you can have my soul
Oh oh oh you can have it all
Everything you want, my heart, my love
To you baby love forever

Let me explain how I feel about you
First it's to easy to say I need, I love you
I will try to describe what I mean, how it feels like
For that, I use worked melodies sincerer
You were my heaven on earth, the light of myself
Through you I gave birth, you made me a woman
Every colour of my world, that's what you are
Like a lion rules the jungle you rule my heart

Chorus

Thank you
You turn my nights into days
Cause every second and a minute of each hour I need to see your face
I need you, touch you, smell you, hug you, all through the day
Kiss you, hug you, smell you, touch you, teas you, please you and say your name

Chorus

Bridge:

No matter what we'll be, with you and me
You'll always have my soul, my heart, my love my everything x2
