

Ayreon, The Charm Of The Seer

AYREON (RUUD HOUWELING):

I've been lost in the valley of nightmares.
I've been found in the garden of dreams.
Speak thy charm, I know you are out there.
Cast thy spell and silence their screams.

As I poise on the edge of life,
Where time disappears,
I bow in fear,
To the charm of the Seer.

I've seen fear in valiant faces.
I've seen hope in desperate eyes.
Lead me home to familiar places.
Lead me back to crystalline skies.

As I poise on the edge of life,
Where time disappears,
I bow in fear,
To the charm of the Seer.

I have failed, I have been forsaken!
I've been scorned and misunderstood!
I have lost, my life has been taken!
I'd surrender if only I could!

As I poise on the edge of life,
Where time disappears,
I bow in fear,
To the charm of the Seer!

I bow in fear to the charm of the Seer! (Ooooooohh....)
I bow in fear to the charm of the Seer! (Ooooooohh....)
I bow in fear to the charm of the Seer! (Ooooooohh....)
I bow in fear to the charm of the Seer! (Ooooooohh....)
I bow in fear to the charm of the Seer! (Ooooooohh....)
I bow in fear to the charm of the Seer! (Ooooooohh....)
I bow in fear to the charm of the Seer! (Ooooooohh....)
I bow in fear to the charm of the Seer!
Oooooooohh-hoh-hoh-hoo! Hoh-hoo!
(I bow in fear to the charm of the Seer!)
Ooooooohh....
