

Ayreon, The Truth Is In Here

"(Arjen Lucassen:)"
Last night I had that dream again
My world was black as night
Plagued by visions of a future world

"(Liselotte Hegt:)"
Mr. L, did you take your meds?

"(Arjen Lucassen:)"
I sang about these dreams
Warning man of his demise
Wasted words that no one heard

"(Liselotte Hegt:)"
Won't you please relax? I'll make your bed

"(Arjen Lucassen:)"
Today I had that dream again
I roamed among the stars
On the wings of an amazing flight

"(Liselotte Hegt:)"
Mr. L, do we feel ok?

"(Arjen Lucassen:)"
To a place beyond our time
Where the sunlight doesn't warm
And colour bleeds into the night

"(Liselotte Hegt:)"
We may have to increase your dose today

"(Arjen Lucassen:)" I know the truth is out there
If you want to see
I know the truth is in here
"(Liselotte Hegt:)" Why should we believe you?
"(Arjen Lucassen:)" If you want to feel

"(Arjen Lucassen:)"
Now I have that dream again
I live beneath the waves
In a realm of grace and majesty

"(Liselotte Hegt:)"
Mr. L, can I ease your mind?

"(Arjen Lucassen:)"
In the distant shadows loom
Cold machines rise from the deep
In a world once proud and free

"(Liselotte Hegt:)"
Won't you free your thoughts, let it all unwind

"(Arjen Lucassen:)"
I hate to have that dream again
They live inside my head
Feeling everything I feel inside

"(Liselotte Hegt:)"
Mr. L, can you please be still?

"(Arjen Lucassen:)"
They speak to me in dreams

They can see all I can see
They have always been my guide

"(Liselotte Hegt:)"
You gotta hush now please, have another pill!

"(Arjen Lucassen:)" I know the truth is out there
"(Liselotte Hegt:)" Why should we believe you?
"(Arjen Lucassen:)" If you want to see
I know the truth is in here
"(Liselotte Hegt:)" Why should we deceive you?
"(Arjen Lucassen:)" If you want to feel

"(Liselotte Hegt:)" We are alone
There's no one there
You don't have to be afraid
"(Arjen Lucassen:)" Can't you see through this masquerade?
"(Liselotte Hegt:)" We are alone
"(Arjen Lucassen:)" We are all clones
"(Liselotte Hegt:)" There's no one there
"(Arjen Lucassen:)" I am so scared
"(Liselotte Hegt:)" You don't have to be afraid

"(Arjen Lucassen:)"
Last night I had that dream again
