

Az Yet, Every Woman

Every woman needs her man
To hold her and protect and
Tell her that she's beautiful
And how she feels she understands
A man that will not leave her by
Will stand right by her side
So before you go just know that every woman needs here"

her man, her man, her man

(help me say)
Every woman needs her man
To fight for her, die for her
Someone who will take the time
to place his heart inside of her
A man thats not afraid to say
Im sorry when he's wrong
So before you walk away just let me say
that lady needs her man.

(Repeat several times)
Her man

Bridge
(so rememeber to)
Tell her that you love her
(and that you)
Place no one above her
(and remind her)
Nothing we have will last
Always
(Oh and tell her)
Meant to be together
(and that I)
I will leave you never
(and I promise)
To stay with you forever
Untill my dying days ohhh

Every woman needs her man
Who'll be true
Who'll say i do
Even when the skies are gray
You know that God
Will bring 'em through
A man who understands that love
It don't come every day
So before you go just know that
every woman needs her man
ohhh ohh and tell her

Bridge:
Tell her that you love her
(and that you will)
Place no one above her
(and remind her)
Nothing we have'll last
Always
(Oh and tell her)
Meant to be together
(Ohh and tell her)
I will leave you never
(and i promise too)
Stay with you forever

Untill my dying days
ohhh

So before you go just know that every woman needs
So before you walk away jst let me say that lady needs
So before you go just know that every woman needs
her man.
