

Az Yet, Inseparable Lovers

[Rick Cousin & J. Scott]

Inseparable lovers,
from the start I really want to know what's going on in my heart
Hey, I've got this feeling that you will be mine,
all mine until the end of time
As I go along, I can feel you keep me going strong
Each and every day as I go my way
My love is all for you and it's here to stay
I've been waiting, I've been waiting
Why baby, do you make me feel that way?
I'm glad I got you in my love today
I'll never doubt your love will stay
Your love will stay always
I'm hanging on just like a child, said I've been with you (for quite a while)
Please girl, understand me?
Oh my love is not demanding, and I will not ever leave you
Ever leave you (No, No, No, No, No)
Real love with good intentions
Girl won't you share my visions
My visions of a perfect love
Just like the ones from up above
My perfect angel, listen
I have but one conviction
You were the change and I plead guilty
I plead guilty
Your love hit me
[CHORUS]
Inseparable, love will never go away
Inseparable, love will always be here to stay
[CHORUS]
