

# Az Yet, Inseperable Lovers

Inseperable lovers,  
From the start I really don't know what's going on in my heart  
Hey, I've got this feeling that you will be mine,  
All mine until the end of time  
As I go, (As I go) Go along, (Go along),  
I can feel you, keeping me strong  
Each and every day as I go my way  
My love is all for you and it's here to stay  
I've been waiting, I've been wanting (woah)

Chorus:

Why baby, do you make me feel that way?  
I'm glad I got you in my love today  
I'll never doubt your loving will stay  
Your love will stay always  
Why baby, do you make me feel that way?  
I'm glad I got you in my love today  
I'll never doubt your loving will stay  
Your love will stay always

I'm hanging on, just like a child, said I've been with you (for quite a while)  
Please girl understand me  
Oh my love is not demanding, and I will not ever leave you  
Ever leave you (No, No, No, No, No)  
Real love with good intentions  
Girl won't you share my visions  
My visions of a perfect love  
Just like the ones from up above

My perfect angel, listen  
I have but one conviction  
You read the charge and I plead guilty  
I plead guilty  
Your love hit me

Chorus:

Why baby, do you make me feel that way?  
I'm glad I got you in my love today  
I'll never doubt your loving will stay  
Your love will stay always  
Why baby, do you make me feel that way?  
I'm glad I got you in my love today  
I'll never doubt your loving will stay  
Your love will stay always

Inseperable, love will never go away  
Inseperable, love will always be here to stay

Chorus:

Why baby, do you make me feel that way?  
I'm glad I got you in my love today  
I'll never doubt your loving will stay  
Your love will stay always  
Why baby, do you make me feel that way?  
I'm glad I got you in my love today  
I'll never doubt your loving will stay  
Your love will stay always
