

# Aziel, Take U Away

-(Aziel Talking) Wassup baby there is some thing that I want to share with you ... you know that? M

Baby listen to AZ's words lady.... fulfilling you every fantasy, I know that you were heaven sent.. Le

Now baby let me take you away, away... you don't have to find another man, no no Now baby let m

Let me take you on a cruise to the south pacific Blues where destined for loving why don't you give

Now baby let me take you away, away... you don't have to find another man, ( you aint got to find a

(RAP)

I think you gonna need a well deserved break,

So let me take you away,

Cause we together today,

Let's make it happen baby,

Start off with 5 star dinin,

Valet parkin,dim light talkin,

got no time for no whinin,

cause we offical now,

put your hand in my hand now,

finish up so we can hit the town,

Clownin on unfaithful hounds,

Simmer down,

Don't get excited now,

Drop some AZ through the speakers,

So i can spend all nite,Just bangin out.....

Now baby let me take you away, away... you don't have to find another man, (you don't need another
