

Azn Dreamers, Angel From Above

I'd give anything for love
Just to be with you
And, girl, I swear I'll never change
The way you are

'Cause I will be there
I will be there for you
Forevermore
Wanna share my life
It's only right that you be mine

Because you are my angel from above, girl
Angel from above
And you make the world go round with love, girl
You are my angel from above
(do do do do do do do do....)

And every time I close my eyes
I thank the lord that I got you
And, girl, I swear I'll never change
You're my dream come true

'Cause I will be there
I will be there for you
Forevermore
Wanna share my life
It's only right that you be mine

'Cause you are my angel from above, girl
Angel from above
And you make the world go round with love, girl
You are my angel from above

You're my angel, girl
And you are my angel from above, girl
Angel from above (oh, baby....)
And you make the world go round with love, girl
You are my angel from above

You are my angel, yeah, yeah
And you make the world go round with love, girl
You are my angel from above (oh, girl....)
You are my angel from above, girl
Angel from above
And you make the world go round with love, girl (go round....)
You are my angel from above (angel from above....)
You are my angel from above, girl (you are my angel, yeah, yeah....)
Angel from above (baby, oh....oh....you....you....)
And you make the world go round with love, girl (around and around....)
You are my angel from above
You are my angel from above, girl
