

# Azn Dreamers, I'll Do Anything

Chorus:

If you want a man to spoil you  
If you want a man to treat you like a queen  
If you need somebody just to hold you  
I'll do anything  
I'll run the bath water for you  
Wash your hair and gently rub your feet  
All you have to do is let me  
And i'll do anything

Verse 1:

You say you're tired of the wrong kind of man  
The kind who says they'll do but never will understand  
What it takes to make a woman feel good  
Give me the chance, I promise I would

I'll write your name across the sky for you  
And tell the world that i'll always be true  
There's no limit let me show you that  
There's nothing I wouldn't do for you

- Chorus 1x -

Verse 2:

I'll bring you breakfast in bed everyday  
I'll take you shopping to your favorite place  
Help you find, a pretty little dress  
Put the charge on my American Express

Let's go to dinner and talk about me and you  
Try to talk about us going for a cruise  
And after twelve I can show you  
There ain't nothing, I wouldn't do for you

- Chorus 1x -

Verse 3:

The love I feel for you, is for a lifetime (for a lifetime baby)  
Just say that you will be with me, for the rest of my life  
Ohhhhh girl
