

# Azn Dreamers, Secret Love

Dreams of love  
My secret is with you  
I think of how our love could be  
But all my friends say I'm a fool  
I don't care  
What People have to say  
Whenever I can I'll be there for you  
I am sure I'll find a way

Chorus:  
Whatever you do don't break my heart  
Wherever you go we'll never part  
'Cause I know our love is strong enough  
And you'll always be my secret love

You and I  
It's like the book of love  
I must of read a thousand pages  
But it seems it's not enough  
I wish I, Could give the world to you  
And when I see a falling star  
Then I will make that wish come true

Chorus

Outta luck, outta hand  
Make me understand  
Baby please  
All I need, is to see what it takes  
For me to win all of your love

Chorus (Till the end)
