

Azn Dreamers, Walking In The Rain

Sitting by the window, singing songs of love
Wishing you were here because the memory's not enough
Wear my mask of silence, pretending I'm alright
If you could see, then you would be standing by my side

It may be hard to believe but girl, you the only one I need
It may be hard along the way
This feeling I get when blue skies turn to gray

Feels like I'm walking in the rain
I find myself tryin' to wash away the pain
'Cause I need you to give me some shelter, 'cause I'm fading away
And baby- I'm walking in the rain

Ah..

Every single hour, of every single day, I need to cry my eyes to dry
I cried my tears away
Can't help but remember (can't help but remember) how you made me feel (you made me feel)
You dressed my soul and made me whole, you made my life complete

It may be hard to believe but girl, you're the only one I need
It may be hard along the way (along the way)
This feeling I get when blue skies turn to gray

Feels like I'm walking in the rain
I find myself trying to wash away the pain
'Cause I need you give me some shelter, 'cause I'm fading away
And baby- I'm walking in the rain

Now all is said and done
We've made the memories, the days when life is fun
But now, when you are gone... I sit alone to watch the setting of the sun.

Feels like I'm walking in the rain
I find myself trying to wash away the pain
'Cause I need you give me some shelter, 'cause I'm fading away
And baby- I'm walking in the rain

I said baby, I'm walking in the rain.
