

# Aztek Trip, Opportunity

In this place  
It seems like such a shame  
We all look different  
One way or the other  
People screaming  
Names I've never heard  
Stares at me in their  
Anguish and insanity

It's not easy, living this opportunity  
It's not, it's not easy  
Living in this land of opportunity  
Of opportunity...

In this place  
It seems like such a crime  
When I do what I want  
Not like others want me to  
People mocking  
What we do today  
Why should we all have to  
Suffer this way

It's not easy, living this opportunity  
It's not, it's not easy  
Living in this land of opportunity  
It's not easy, living this opportunity  
It's not, it's not easy  
Living in this land of opportunity
