Azure Ray, Fever

Fever i know you've come to take my love Go away Fever i know your face just like a dove Fly away Féver turn the lights out Take a different road Let us be Fever i know you've come to take my love Fever i know in god i shouldn't trust He's so far away Fever turn the lights out Take a different road Let us be Fever take a different route Travel a different road Let us be Fever i know you've come to take my love Go away fly away go away
