

# B.B. King, B.b.'s Boogie

B.B. boogie darlin'  
The B.B. boogie baby  
Do the B.B. boogie, if it takes you all night long

Well I looked at the clock  
The clock said four  
My baby jumped up  
She said, &quot;B., let's go&quot;;

Do the B.B. boogie baby  
B.B. boogie darlin'  
Do the B.B. boogie, if it takes you all night long

Grabbed my bay turned her round and round  
She said, &quot;B.'s the boogiest man in town&quot;;

B.B. boogie darlin'  
The B.B. boogie baby  
Do the B.B. boogie, if it takes you all night long

I grabbed my baby and I held her tight  
Me and my baby do the boogie all night

B.B. boogie darlin'  
The B.B. boogie baby  
Do the B.B. boogie, if it takes you all night long

I grabbed my baby and I held her tight  
She said, &quot;love me baby and squeeze me tight&quot;;

The B.B. boogie  
B.B. boogie darlin'  
B.B. boogie, if it takes you all night long
