

# B.B. King, Caldonia

Hey, I'm walking with my woman  
She got great big feet  
Long, lean and angry  
She ain't had nothing to eat  
But she's my woman  
And I love her just the same  
She's a fine looking woman  
And Caldonia is her name

Now here we go!

Caldonia, Caldonia  
What makes your big head so hard  
I love her  
Yeah, I love her just the same

Give me that now.

I'm crazy about the woman  
'Cause Caldonia is her name

Can we do it once more?

Caldonia, Caldonia  
What makes your big head so hard, oh

Caldonia, Caldonia, Caldonia
