B.B. King, Christmas Celebration

Here's to you, baby May Christmas bring you happiness Oh, here's to you, baby May Christmas bring you happiness I want you to have a good time Like we did on all the rest Yeah, Merry Christmas, baby Happy New Year Have fun because Christmas Don't come but once a year Here's to you, honey May Christmas bring you happiness I want you to have a good time Like we did on all the rest All the presents, my love Under the Christmas tree Remind me of your love That means so much to me Here's to you May Christmas bring you happiness I want you to have a good time, baby Like we did on all the rest We'll enjoy ourselves together Christmas dinners and everything We'll share every little pleasure **Every Christmas brings** Here's to you May Christmas bring you happiness I want you to have a good time Like we did on all the rest I wanna be home with you baby When New Years roll around We'll make our resolutions Before the sun goes down Here's to you, honey May Christmas bring you happiness I want you to have a good time Like we did on all the rest
