

B.B. King, Don't Change On Me

Girl, you're my sunshine
You chase away the raindrops
Make it all worthwhile
Make all the pain stop
Just like a river you keep love flowing
Don't let our world stop, keep it growing

Oh I like you just the way you are
Honey, don't change on me
Don't change on me
Please don't change on me
Girl, you're my lucky star
Don't change on me
Don't change on me
(Please) don't ever change

I used to wonder where would I find
Some kind of happiness and peace of mind
I was living in darkness
Oh but then you came
Bringing in the sunlight
And easing my pain

Oh I like you just the way you are
Honey, don't change on me
Don't change on me
Please don't change on me
Girl, you're my lucky star
Don't change on me
Don't change on me
(Please) don't ever change

If there's a heaven
Then this is my prayer
Lord knows I want to know you
If we ever should meet there
And then forever we'll walk together
Nothing but sunshine
And no more stormy weather

Oh I like you just the way you are
Honey, don't change on me
Don't change on me
Please don't change on me
Girl, you're my lucky star
Don't change on me
Don't change on me
(Please) don't ever change
