

B.B. King & Eric Clapton, Ten Long Years

Well, I had a woman
She was nice, kind and loving to me in every way
Oh, I had a woman
She was kind and loving to me in every way
Oh, she used to love me
And bring my breakfast to the bed every day
Oh, for ten long years
She was my pride and joy
Oh, for ten long years
She was my pride and joy

Yeah, I used to call her 'my little girl'
Oh, she used to call me, she used to call me her 'little boy'
Oh, it's all over baby
You know I'm all alone
It's all over baby
Babe, you know I'm all alone
Well, the reason you hear me
Singing the blues baby
Yeah, you know my baby's gone
She's gone, she's gone
